## IF MEALS HIT BACK AND STOMACH SOURS

"PAPE'S DIAPEPSIN" ENDS STOMACH MISERY, INDIGESTION IN 5 MINUTES.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can get blessed relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty-cent cases of Pape's Diapepsin, then you will understand why dyspeptic troubles of all kinds must go, and why they relieve sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapepsin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not have to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diapepsin" cranks, as many people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia, or any stomach misery.

Get some now, this minute, and rid yourself of stomach trouble and indigestion in five minutes.

the body-waste producing uric acid must be gradually arrested and the blood purified.

Correct diet is essential. Abstain from tea and anything containing alcohol; eat meat only once a day and take SCOTT'S EMULSION after every meal.

SCOTT'S EMULSION makes new blood free from the poisonous products which irritate the joints and muscles; its medicinal force relieves the enlarged, stiffened joints; and more, SCOTT'S EMULSION stimulates the forces to expel the poisonous acids by its concentrated nourishing properties.

Physicians everywhere prescribe Scott's Emulsion for rheumatism.
